

OAKWELL - THE OFFICIAL HISTORY OF BARNSELY F.C.

(1887 ~ 2012)

The most complete history of the club is told in this high quality 320 large page hard-back book (with dustjacket). Including well over 200 photographs (many in colour). As well as the very detailed written history there are substantial records and statistics sections - matches versus other league teams, all F.A.Cup and League Cup results, etc. plus full lists of International players, most appearances, most goals, managers' records, etc; also a 'Legends' section (41 players from 1887), plus 'one line' playing and personal details of every League player - nearly 1200! A book with everything about YOUR club!

Written by an acknowledged Barnsley F.C. Historian, Grenville Firth, this book is endorsed by Barnsley F.C. to commemorate the 125th Anniversary of the club - and will be a strictly and guaranteed **LIMITED EDITION**. If there are any copies remaining these will be sold on a 'first come first served basis after publication - there will be no reprint of the book in this form. The publishers are 'Yore Publications' (founded in 1991 by Dave Twydell) who are the acknowledged leaders in the field of League club histories (around 40 to date), including the previous much acclaimed official *Barnsley F.C.History* that was published in 1998.
